ABSTRACT:

The Mankato State University, Craft Center/Kaleidoscope collection contains numerous flyers and event schedules along with two scrapbooks for the organization. Programs provided leisure activities for MSU students in the basement of Centennial Student Union. The Craft Center began in 1975 and continued until 1980. In that year, the name was changed to the Kaleidoscope. The Kaleidoscope remained in operation until 1990 when changes in the interests of students forced the organization to cease its operations.
