Carter, Max. Oral History Interview, 27 February and 9 March 1981. SMHC Manuscript Collection 1647. 1 folder, 2 audiocassette tapes, and a CD duplicate of the audiocassettes.

ABSTRACT:

The Max Carter collection consists of two audiocassette tapes, a CD duplicate of the audiocassettes, a transcript, and a biographical form of an oral history interview and a follow up interview conducted between Carter and Ronald A. Cyphers on 27 February and 9 March 1981. At the time of the interview, Carter was Child Care Supervisor at the Minnesota Braille and Sightsaving School in Faribault, Minnesota. The interview details Carter's background and his thoughts on the issues and problems facing the Braille and Sightsaving School. Topics include: teacher licensing, the referral system, the importance of the socialization of handicapped children, and effectively communicating with parents and the community what services the Braille and Sightsaving School provides.

This interview was conducted as part of Mankato State University's Educational Foundations course Current Issues of Public Education.

BIOGRAPHICAL NOTE:
