MSU sportscaster Mike Sullivan has been selected as the inaugural recipient of the state's best play-by-play announcer award in a Minnesota News Network contest.

Sullivan, whose broadcasts of MSU athletic events are heard on KTOE (AM 1420) and KDOG (FM 96.7) in Mankato, was presented with the award April 29 in Minneapolis during MNN's annual affiliate conference.

The Minnesota News Network, which includes KTOE and KDOG among its affiliates, feeds news and sports to 75 radio stations throughout Minnesota.

Sullivan, 51, has served as the play-by-play announcer for MSU football, hockey and baseball for the past five years and he also hosts a morning show on Oldies 105 (KXAC FM 100.5). Prior to coming to Mankato, Sullivan spent 18 years at KATE radio in Albert Lea, Minn., where he served as the station's sports director and announcer.
