

Power will be out on campus July 22

Be prepared!

A large portion of the campus' primary electrical distribution system is being replaced this summer, and outages to parts of the system are scheduled Saturday, July 22.

A large portion of the campus' primary electrical distribution system is being replaced this summer, to improve its dependability and safety. The work requires contractors to shut down portions of the electrical system as they are replaced, with outages to parts of the system scheduled Saturday, July 22.

Facilities Management has made every effort to minimize the quantity and duration of the outages, and apologizes for any inconvenience that they may cause. The two outages are scheduled at the following times:

- Outage 1 will be Sunday, July 16, from 6 a.m. to 6 p.m. During this time Centennial Student Union, Wigley Administration and Gage will be without power.
- Outage 2 will be from 6 p.m. Saturday, July 22, to 6 a.m. Sunday, July 23. During this time Taylor Center, Highland Complex, Myers Fields House, Pennington and Blakeslee Stadium will be without power. Sometime during this outage Armstrong Hall will be without power for approximately 15 minutes, and Morris Hall will be without power for 10 seconds.

Some things to remember before and during an outage:

- Please turn off your computer before leaving work the Friday before the outage.
- Elevators will not work.
- Phones will not work.
- Data, card access and security systems will not work, so if you need access to a building, please use your keys.
- Building interiors will be dark.

Further updates will be provided regarding future outages affecting other parts of the campus. The Facilities Management staff thanks for your continuing patience.
