

Campuswide power outage rescheduled for Friday, July 20

Protect sensitive electronic equipment

The power outage scheduled for Monday, July 23, has been rescheduled for Friday, July 20.

The power outage scheduled for Monday, July 23, has been rescheduled for Friday, July 20.

Electrical power for the entire campus will be off between 3 and 6 a.m. that day, as part of the final phase of the campus-wide electrical infrastructure improvement.

For most of the campus, the outage will last 15 to 30 minutes, but electrical power for Memorial Library will be off for approximately 3 hours. The outage will affect the entire campus except for the Crawford/McElroy complex and Wiecking Center.

A second outage has been scheduled for only Memorial Library on Wednesday, July 25, lasting approximately six hours, beginning at 7:15 p.m.

Faculty, staff and students should ensure that all sensitive electronic equipment is turned off during the outage to avoid possible damage.
