Minnesota State University, Mankato: a place where big ideas meet real-world thinking.

Our tradition began in 1868, when we opened our doors to 27 students with dreams of becoming teachers. One hundred fifty years later, the tradition continues as we have become a comprehensive doctoral university with more than 15,000 students, 2,000 faculty and staff, and 126,657 alumni worldwide. Together, we are committed to breaking down barriers, creating solutions and achieving a new level of greatness. And together, we will pursue bigger ideas, apply real-world thinking more broadly and make life better for people throughout our state, our region and our world.

MINNESOTA STATE

Minnesota State University, Mankato
A member of Minnesota State

Dear Graduates,

Today—Commencement—is a momentous occasion. Today is a day of reflection and celebration of what you have accomplished here. It is also a day to “commence” -- to think toward your future and consider, in the words of poet Mary Oliver, “Tell me, what is it you plan to do with your one wild and precious life?” Whatever your answer is, and however it evolves over your lives, I hope you know that we, here at Minnesota State Mankato are here to support you. And for our University, today, we celebrate you and we are so proud to have been a part of your growth and successes.

I hope you remember fondly the time you spent in the classroom, on campus, attending in-person or virtual extra-curricular activities, athletic or club events, and connecting with friends and the greater Mankato community. Those experiences have helped define you and shape you into the person you are today, and they will help guide you in your future.

You are now joining a community of more than 130,000 Maverick alumni who have taken their big ideas into the real world over the past 153 years. As part of this global #MavFam network, you will find opportunities to connect with fellow Mavericks in your workplace, in your neighborhoods and through special alumni events. The Alumni Association will make sure you know about future alumni gatherings—and I encourage you to take advantage of those opportunities to stay connected to your alma mater.

Congratulations to you. I am honored to be able to celebrate this special day with you, your family and your friends. Best of luck in all of your future endeavors!

Go Mavs!

University History

Mankato Normal School opened as the state's second teacher training school in 1868 in downtown Mankato with 27 students. Tuition was free in return for a student's pledge to teach two years in Minnesota's schools. Old Main was constructed in 1870, and this marked the beginning of the Valley Campus that would serve the institution for a century. In the 1880s, the school expanded and curriculum grew. In 1921 the school became Mankato State Teachers College, and in 1927 the institution awarded its first four-year degree, a bachelor of education.

In the late 1950s, the school was renamed Mankato State College, and construction began on the 300-acre Highland Campus. The College maintained two locations for several years. In 1975, the College received full university status. Four years later consolidation on the Highland Campus was complete. In 1998, for the fifth time in its history, the University adopted a new name to reflect expanded service to Minnesota and the nation. Minnesota State University, Mankato continues to gain renown for the quality of its programs and the breadth of its service.

Dr. Edward Inch began serving as the 13th President of Minnesota State University, Mankato on July 1, 2021. Throughout his career, Dr. Inch has consistently demonstrated that he is a strategic leader who understands the importance of working in a collaborative, transparent, and authentic manner to build a shared vision – a vision that will ensure the success of all students and will secure the university's future. President Inch's experience and leadership will be critical as the University embarks on its next strategic plan, Destination 2030, and efforts to advance the Minnesota State System Equity 2030 goals and priorities.

Minnesota State Mankato offers more than 130 undergraduate programs and more than 85 graduate programs, including masters, specialist and doctoral programs. Our 14,000 students — including more than 1,100 international students from more than 90 countries — and 2,000 faculty and staff represent cultural diversity and a rich mix of intellectual and creative perspectives. Our alumni live and work around the globe, making professional and personal contributions that bring the proud Maverick tradition to new heights.

Minnesota State University, Mankato Alumni Association

Congratulations on your graduation! And welcome to the Minnesota State Mankato Alumni Association, a powerful network of over 130,000 alumni. Our mission is to engage alumni, friends and students in ways that benefit its members and Minnesota State Mankato, through opportunities that stimulate a lifetime of interest, loyalty and support.

As an alumna/us, you're a vital participant in the future of the University. To help you to maintain the connections you've built here at Minnesota State University, Mankato, we'll soon send you your first issue of TODAY, the University magazine for alumni and friends. To ensure that you continue to receive the magazine and to stay up-to-date with your alma mater, we invite you to update your contact information with us via email at alumni@mnsu.edu or by logging onto the Alumni website at www.mnsu.edu/alumni.

We celebrate this proud day with you, and look forward to your continued association with Minnesota State Mankato!

Best regards,

Randy Reichert

Symbolism and Tradition

Procession

A traditional academic procession introduces the commencement exercises at Minnesota State University, Mankato. The wearing of distinctive apparel as an indication of scholarship and academic rank dates back to the 1300s and was adopted in the United States circa 1900.

Gown

The Minnesota State University, Mankato President's Academic Gown has been specially constructed of heirloom-quality materials for use during formal academic occasions. The bachelor's gown is relatively simple, falling in straight lines from an elaborate yoke. The master's gown is distinguished by its longer sleeves. The doctoral gown is purple, elaborately decorated with velvet panels down the front and three bars of matching velvet on the bell-shaped sleeves.

Mortarboard and Tassel

The square "Oxford cap" or mortarboard of serge or broadcloth is worn for most degrees, although a soft tam is also permitted. The tassel that hangs to the side is switched from the right to the left at the moment the degree is awarded.

Hood

The hood is to be worn by graduates of the College of Graduate Studies and Research. The color of the hood worn by Master's and Doctoral graduates indicates the degree. The velvet edging on the hoods indicate the specialty of study.

Mace

The Minnesota State University, Mankato mace has been made entirely from Minnesota materials in recognition of the value and beauty of the state's natural resources and people. A university mace symbolizes both the university's power to overcome ignorance and prejudice by seeking truth, and the power of the university's president to protect the university and its community from forces opposed to those goals. The mace used in today's ceremony was commissioned and donated to Minnesota State Mankato by Fred and Karin Bock. The mace was created by Phil Swan '68.

Presidential Medallion

The Minnesota State University, Mankato Medallion is a round bronze piece that features the University seal and is worn around the neck of the President. The University seal is the official representation of Minnesota State University, Mankato, and use of it or its image is reserved for only the most dignified of occasions.

Minnesota State University, Mankato Flag

The Minnesota State University, Mankato flag features the University seal against a field of purple, one of the designated colors of the University. The flag was commissioned in honor of the October 2003 Inauguration of Dr. Richard Davenport to symbolize the President's chosen direction for his term. The seal is the official representation of Minnesota State University, Mankato and is used sparingly and with dignity. It represents our past and our future and symbolizes our strength and global perspective.

International and Native American Flags

The international flags represent countries and sovereign nations of our students. All 11 Minnesota Reservation flags are also represented.

Honor Guard

The special honor guard presenting our national colors is from the Veterans Resource Center, led by Director Tim Adams.

Faculty Honor Marshal

A faculty member from each college serves as an ambassador during their college's commencement ceremony and sits on stage with the platform party. Being a Faculty Honor Marshal is an esteemed privilege and is typically granted to a tenured professor or highly regarded individual.

The printed commencement program is a ceremonial publication. The program is not intended to be an official representation of University records. The use of this program to signify completion of a Minnesota State University, Mankato degree is strictly prohibited. This program was designed and printed by Minnesota State University, Mankato Printing Services.
